Dear [name],

As part of my third year project, I am working on a project to assess awareness of the amount of personal identifiable information dissemination online.

If you're interested in taking part in my study, please let me know by replying to this email. It's all done online and should not take more than 20 mins. I will then provide you with instructions on how to proceed.

Your help will be deeply appreciated. I am looking forward to your reply.
